reMatch Sports Celebrates One-year Anniversary
Unique concept sporting goods stores proves successful.

San Francisco, CA – Today marks one full year of reMatch Sports providing high-quality and lower-cost sporting equipment to its customers. It is a unique concept for used sporting goods, offering consumers the option to spend less on quality gear, the convenience of internet shopping, and the accessibility of a retail store. Sports enthusiasts can sell gear through reMatch Sports and earn some extra cash.

reMatch Sports opened its doors in San Francisco in June 2009. With only one year under our belt, we have served thousands of customers from the Bay area to the East Coast. Monthly we have tens of thousands of unique visitors to our website; that number is growing rapidly. We were voted #2 Sporting Goods Store in the Bay area by the Bay List. We engage the local community by hosting events like fundraisers to annual parties for local organizations. We provide a large selection of used bikes. Our selection of sporting equipment has expanded to include new categories like kayaking, mountain climbing, lacrosse, diving, and more.

With a focus on customer service, we have added new features to our website. The Item Alert feature lets you know when something you are looking for has been listed for sale. The Watch Item feature informs you when the price of an item drops, so you can be the first to make the purchase. Specific category Twitter feeds alert you to our new items.

Customer Quote:

“I love reMatch! The guys in there are funny, nice and helpful. They sold my soccer shoes for a good price...I love how neighborly this business is, and when I walk past it every day on my way home I get a warm fuzzy feeling as I look in thinking of all the recycling and healthy activities this establishment stands for....” – Joanne (<http://baylist.sfgate.com/rematch-sports/biz/302936>).
